

List of assertions for DISABLED section states

This document is targeted to make the set of assertions more clear and simple to understand.
Therefore we only list those assertions that are designed to detect segments in *DISABLED* state.

<i>Test case</i>	<i>Timestamp</i>	<i>Disabled section</i>	<i>Train on the segment</i>
2	2500	101	301
	8500	107	301
3	7500-9500	105	302
4	2500-7500	101	301
	2500	105	302
5	2500-3500	101	302
	9500	105	301
	9500-20500	109	303
	14500	104	302
